

Midtown 'AAA' Bikeway Connections

Public Workshop

April 11, 2019

Eliza Jackson – jacksoe@halifax.ca // Siobhan Witherbee – withers@halifax.ca

HALIFAX

Vision:

Provide an all-ages-and-abilities (AAA) cycling connection between existing (and planned) facilities in the centre of the Halifax peninsula

Why Cycling?

Creating opportunities for people to cycle in Halifax has benefits for:

- Mobility and reducing congestion
- The health of individuals and of populations
- Accessibility
- Affordability
- Environment
- Quality of life

PROPOSED AAA BIKEWAY
CURRENT/FUTURE AAA BIKEWAY

Regional Centre 'AAA' Bikeway Network

Approved by Regional
Council in December
2017 as part of the
Integrated Mobility Plan

Active Transportation Priorities Plan 2014-19

Approved by Regional Council in 2014

Midtown AAA Planning Process

The Halifax Common

Welsford-Windsor Overview

Halifax Common connection to:

(1) St Pats Connector and (2) Allan-Oak Local Street Bikeway

Quingate Overview

St Pat's Connector to Vernon Street

(2018) Dan Peterson

Bell Road South Overview

South Park Street to Summer/Trollope Intersection

Bell Road North Overview

Summer/Trollope Intersection to Robie Street

Quinpool Overview

Robie Street to Vernon Street

Principles for Good Conversation

1. **Share the air**
2. **Speak from your own experience**
3. **Listen actively**

Round Table Discussion:

What has your experience been travelling on these routes (walking, cycling, taking transit, driving)? What works now? What needs improvement?

How do you travel through this area? Where are you coming from and where do you need to go?

How do you access the Common? How do you move through it? How does the park function affect how you use the space?

Complete Streets Values

At your table, take a few moments to think about how you value each of the items on the list.

Use the dot stickers and the large print-out provided and plot out the relative importance to you.

Collaborate with the people at your table to come up with a consensus of the importance of each item. Talk about where your opinions differ and where they are aligned.

Time To Dig Deeper!

We have six questions posted around the room. Please take some time to visit each station and provide your ideas for how we could make cycling better in this area!

Thank you!

Please get in touch if you have any questions:

The logo features the word "HALIFAX" in a bold, blue, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance. The logo is positioned on the right side of the slide, partially enclosed by a large, light blue circular graphic that has a rough, hand-painted edge. The background of the slide is white, and the overall design is clean and professional.
