

KEY DIRECTIONS:

Redevelop the outdoor aquatic area, replacing the old facilities with a new outdoor swimming pool, splash pad, change facilities, a multi-purpose room, and public washrooms.

Replace the playground with a nature play area that is inclusive for all abilities and incorporates more vegetation and seating areas.

Upgrade the sports field to a lit, all-weather field with more open access for drop-in play.

Improve the park setting with more trees and vegetation planting, seating areas, and public art.

LEGEND:

OUTDOOR AQUATIC AREA
