

DOWNTOWN DARTMOUTH PLAN UPDATE

PLANNING POLICIES & PRECINCTS

Proposed Precincts

The commercial and waterfront core of Downtown Dartmouth features nine distinct precincts as shown on the map below, each with varying characters, functional identities and building forms.

The objective of defining these precincts is to help focus and direct land uses, define appropriate character for development, protect heritage, and direct public investment. Precinct-specific vision statements articulate long-term goals for these areas that support guidelines for development and public spaces.
