What is
included
in the
Halifax
Common?

Where are
the areas to
focus on?

“Cities have the capability of providing something for everybody, only because, and only when, they are created by everybody.”

- Jane Jacobs, *The Death and Life of Great American Cities*

Purpose of Public Engagement

To explore this question:

How might the Halifax
Common best serve the needs
of the people of Halifax?

Purpose of Meeting Tonight

To better understand the key issues and considerations as we begin the master planning process

Principles for Good Conversation

Every good conversation starts
with good listening

Speak from your own experience

Make space for everyone
to be heard

What do we need to
talk about now, as
we begin this master
planning process?

What are 3
important things we
need to consider as
we begin this
process?

How might the
Common best
serve your needs,
and the needs of a
growing city?

What are 3 important ideas to ensure that the Common best serves your needs and the needs of a growing city?

Thank you!
