

Focus Area: **Bayers Lake**

The Bayers Lake Business Park is a popular shopping and employment destination. It is also home to services such as the Bayers Lake Community Outpatient Centre and Access Nova Scotia.

Existing service:

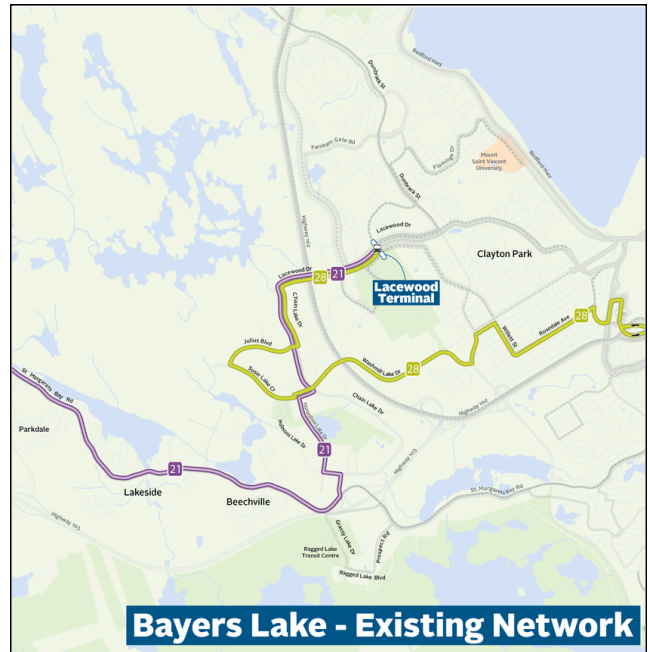

There are changes under consideration for the following routes:

Route 21 Timberlea:

Timberlea to Lacewood Terminal via St Margarets Bay Road, Horseshoe Lake Drive, Chain Lake Drive and Lacewood Drive.

Route 28 Bayers Lake:

Lacewood Terminal to Mumford Terminal, via Bayers Lake, Washmill Lake Drive, Rosedale Avenue and Bayers Road.

Proposed changes:

- Add a new **Route Y Lacewood Terminal to Ragged Lake**.
- Options for **Route Y** to extend to West Bedford and terminate at the West Bedford Park & Ride. [see **combined Route X&Y West Bedford to Ragged Lake fact sheet** for more information].
- Add transit service along Hobsons Lake Drive and the southern section of Chain Lake Drive, both host a variety of businesses.
- **Route 21 Timberlea:** Divert from Horseshoe Lake Drive, options to serve Hobsons Lake Drive or Chain Lake Drive.
- **Route 28 Bayers Lake:** Modification to make routing more direct and return service to the section of Chain Lake Drive between Julius Boulevard and Susie Lake Crescent.

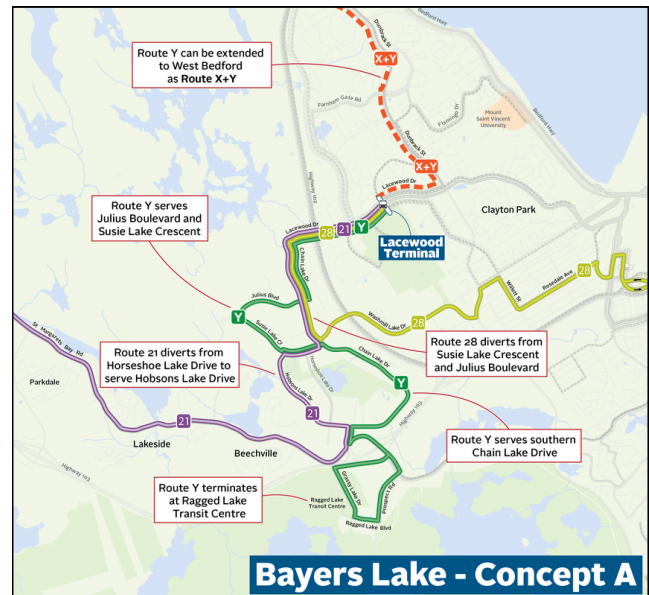

Two proposed network options are shown in the Service Concepts section below; additional network concepts may be considered as well.

Bayers Lake Transit Service Concepts

Below are two options which aim to meet increased demand and provide transit service to developments within Bayers Lake. Each concept includes a new bus route, **Route Y**, and is paired with proposed modifications to **Route 21** and **Route 28**.

Concept A:

- **Route Y Lacewood Terminal to Ragged Lake Transit Centre:** (new) travels along Lacewood Drive, Chain Lake Drive to Julius Boulevard, Susie Lake Crescent, the southern segment of Chain Lake Drive and to Ragged Lake Transit Centre.
- **Route 21 Timberlea:** (modified) new routing to provide service along Hobsons Lake Drive.
- **Route 28 Bayers Lake:** (modified) provides more direct service to Bayers Lake between Mumford and Lacewood Terminals and returns service to the section of Chain Lake Drive between Julius Boulevard and Susie Lake Crescent.

Concept B:

- **Route Y Lacewood Terminal to Ragged Lake Transit Centre:** (new) which travels along Lacewood Drive, the northern segment of Chain Lake Drive, Susie Lake Crescent and Hobsons Lake Drive.
- **Route 21 Timberlea:** (modified) new routing to provide service along the southern segment of Chain Lake Drive.
- **Route 28 Bayers Lake:** maintains current service to Bayers Lake between Mumford and Lacewood Terminals, which travels along Chain Lake Drive, Julius Boulevard and Susie Lake Crescent.
