

CHANGES AT YOUR CURB

GARBAGE

- Option 1: Reduce bag limits from 6 to 4
- Option 2: Introduce use of clear garbage bags
- Option 3: Increase inspections at the curb
- Option 4: Increase education at high rise apartments and commercial properties
- Option 7: Introduce black cart for garbage (with or without user pay model for different sized carts)
- Option 8: Collect large appliances/bulky items separate from garbage

RECYCLING

- Option 10: Accept all recyclables mixed together in 1 bag (plastic, glass, cans, paper, cardboard) instead of the current 2 bag system
- Option 11: Introduce blue carts instead of blue bags (including split cart option for existing 2 stream recycling)

ORGANICS

- Option 12: Increase frequency of organics collection to weekly, year-round
- Option 13: Collect leaf & yard waste separate from green cart
- Option 14: Accept only paper bags for leaf & yard waste
- Option 15: Introduce smaller green cart size for food waste only
- Option 16: Make HRM compost available for purchase
