

Focus Area: **West Bedford**

West Bedford is a rapidly growing community, with further growth expected as additional developments are planned.

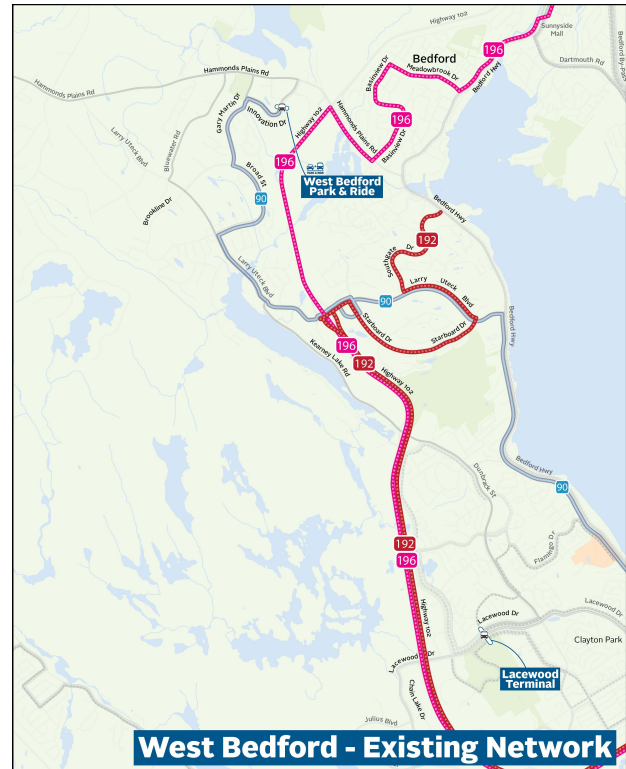

Existing service:

There are changes under consideration for the following routes:

Route 90 Larry Uteck: West Bedford Park & Ride to Downtown Halifax via Bedford Highway, Robie Street, University Avenue, Morris Street.

Route 192 Hemlock Ravine Express: Southgate Drive to Downtown Halifax via Highway 102.

Route 196 Basinview Express: Oakmount and Basinview to Downtown Halifax via Bedford Highway and Highway 102.

Proposed changes:

- A proposed new **Route X West Bedford to Lacewood** to link communities in West Bedford with retail, services and residential areas located within the communities of Clayton Park and Bayers Lake.
- Options for **Route X** to extend to include Bayers Lake and terminate at Ragged Lake.
- **Route 192 Hemlock Ravine Express:** Proposal to extend the route via Hammonds Plains Road to begin from West Bedford Park & Ride.
- **Route 196 Basinview Express:** Proposal to divert the route to West Bedford Park & Ride via Hammonds Plains Road.

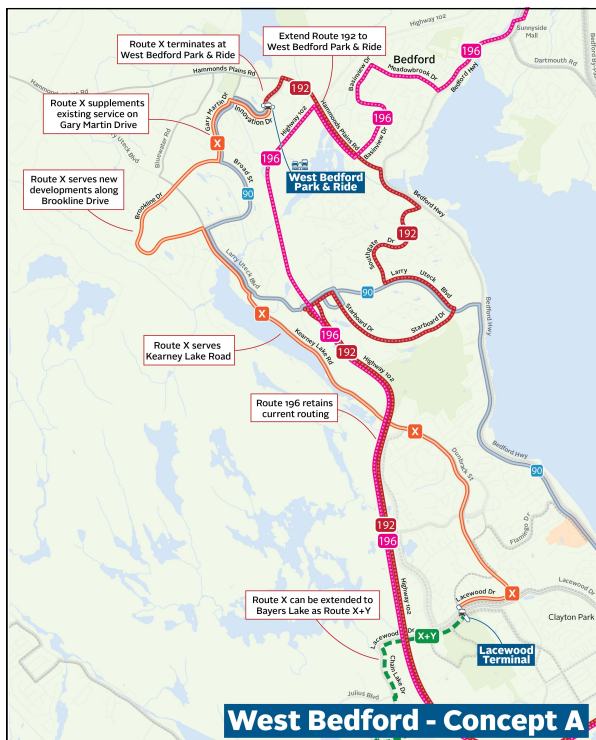

Two proposed network options are shown in the Service Concepts section below; additional network concepts may be considered as well.

West Bedford Transit Service Concepts

Below are two options which aim to enhance transit service to West Bedford and Clayton Park. Each concept includes a new bus route, **Route X**, paired with proposed changes to either **Route 192 Hemlock Ravine Express (Concept A)** or **Route 196 Basinview Express (Concept B)**.

Concept A

- **Route X West Bedford to Lacewood:** (new) travels along Innovation Drive, Gary Martin Drive, Broad Street and Brookline Drive, then onto Lacewood Terminal, via Larry Uteck Boulevard, Kearney Lake Road and Dunbrack Street.
- **Route 192 Hemlock Ravine Express:** (modified) to extend the route via Hammonds Plains Road to start from, and end at, the West Bedford Park & Ride.

Concept B

- **Route X West Bedford to Lacewood:** (new) travels along Innovation Drive, Gary Martin Drive, Hammonds Plains Road, Bluewater Road, Brookline Drive then onto Lacewood Terminal, via Larry Uteck Boulevard, Kearney Lake Road and Dunbrack Street.
- **Route 196 Basinview Express:** (modified) to divert the route to West Bedford Park & Ride via Hammonds Plains Road, then continue on Highway 102.
