

Combined Route X&Y West Bedford to Ragged Lake

Halifax Transit is proposing two new routes, **Route X West Bedford to Lacewood** and **Route Y Lacewood to Ragged Lake**. These could be two new routes, or one combined route connecting West Bedford with Ragged Lake.

One combined new route:

Two separate new routes:

Benefits of a single Route X&Y: A single route will reduce the need for transfers, increase convenience and reduce travel times for passengers travelling between Bayers Lake, West Bedford and destinations along the route.

Benefits of a separate Route X and Route Y: Shorter routes reduce the likelihood of delays which impact on-time performance.
