

Bayers Road: Romans Avenue to Halifax Shopping Centre

Looking to the east on Bayers Road (east of Romans Avenue).

What will change?

- 1 The westbound curb lane will be designated as a bus lane. Right turning vehicles will be permitted to use the lane on the approach to intersections.
- 2 The roadway will be widened from 4-lanes (existing) to 6-lanes (proposed). The two new lanes will be bus lanes, and the existing four general purpose traffic lanes (two in each direction) will be retained.
- 3 The eastbound curb lane will be designated as a bus lane. Right turning vehicles will be permitted to use the lane on the approach to intersections.
- 4 A paved 3.0m multi-use pathway for walking and cycling will be added to the south side of Bayers Road between Romans Avenue and George Dauphinee Avenue.
